2.0 Audit process

2.1 Audit methodology

The MSPO initial certification audit consist of stage 1 and stage 2 audit however for SOU 32 the stage 1 audit was waive due to they have obtain RSPO certification with SIRIM QAS International. The. Stage 2 audit of Rajawali SOU 32 was conducted on 16 - 17 November 2017 where the audit focused mainly on the conformance of the group members against the requirements of certification standard i.e. MS 2530-3: 2013 General principles for oil palm plantations and organised smallholders

The audit was conducted based on sample as defined in the MSPO Certification Requirement for Group Certification. Under this requirement, the sample size was based on the formula $(0.8\sqrt{y}) \times (z)$; where y is total number of independent group members and z is the risk factor defined by the risk assessment. Based on the risk assessment, the risk factor was determined as low i.e. 1.0. During the Stage 2 audit Rajawali Estate and Bayu Estate has been sampled. During Stage 2 audit, the audit team had visited the field, linesite workshop, chemical store, waste collection areas and other surrounding facilities such as clinic, surau and canteen to verify the implementation of the MSPO MS2530-3:2013. Interviews with the team management, employees, contractors and surrounding estate, relevant government agency and other relevant stakeholders. Apart from the above, records as well as other related documentation were also evaluated. In addition, the audit team has verified the MPOB license and its validity.

It is important to note that the finding from this audit is based on samples taken from the organization activities, procedures, records and interview. Statistically, there is always a possibility that one or more issues/areas will remain unidentified during the course of this audit. The absence of non-compliance in any area or activity does not necessarily imply that no lapses or non-compliance exist

2.2 Date of next surveillance visit

If the company is certified, the first surveillance audit will be conducted within 12 months from the decision date.

2.3 Qualification of audit team

Member of the audit team	Role/area of MSPO requirements	Qualification
Mohd Zulfakar Kamaruzaman	Audit team Leader / Social issues, employment condition & Biodiversity	Holds a B.Sc. Forestry from University Putra Malaysia. He had more than 4 years of working experience in the oil palm operation and 3 years' experience in auditing Palm Oil Sector. He has been qualified as a RSPO Lead Auditor for the past 3 years.
Ruzita Abd Gani	Audit team member / Management commitment & environment	Holds a Bachelor in Chemical Engineering and 6 years of experience in the palm oil milling. She had been involved in auditing of EMS and OHSMS for the past 14 years. She is also a qualified RSPO lead auditor and a DOE registered Environmental Auditor.
Rozaimiee Ab Rahman	Audit team member / Good agriculture practices, Safety & Health issues	Holds a B. Sc. in Agriculture from University Putra Malaysia. He had more than 5 years of working experience in the oil palm operation. He has been qualified as a RSPO Lead Auditor for this years.
