

Give your customer the auto aftermarket services they deserve with the help of 4R2S certification.

It ensures that you meet optimum standards for the Repair, Reuse, Recycle and Remanufacture of vehicle parts & components, as well as for the provision of service and spare parts.

The growing desire for improved aftermarket services, including improved service capabilities with suitable procedures and qualified mechanics, spare part standardisation, and favourable insurance coverage, prompted the creation of the 4R2S Certification Scheme. Drive your business to greater height set a competitive edge by differentiating your business and improving customer loyalty with us today.

Drive your business to greater height set a competitive edge by differentiating your business and improving customer loyalty with us today!
