Malaysia's Leading Testing, Inspection and Certification Body

Clear for Takeoff - SIRIM QAS International obtained AS 9100 Accreditation from **UKAS!**

AS 9100 Aerospace Quality Management Systems

Dear Aerospace Industry partners,

We are incredibly excited to share the news that SIRIM QAS International has received accreditation by UKAS on Aerospace Quality Management System certification AS9100. It is our pleasure to announce that we are officially recognized as a leading provider of certification services for aerospace companies worldwide.

This accreditation is an important milestone for us, as it serves as a validation of our commitment to quality and the rigorous

AS 9100
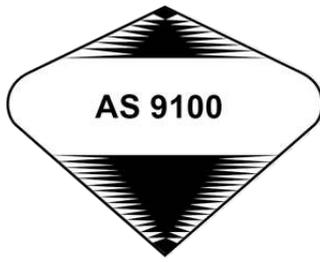

SIRIM

standards that we use in our certification practices. As a result, we will continue to ensure that the services we provide to industries meet or exceed the expectations and requirements of our customers.
